How To Play Money Wheel

Now here's a game everyone loves to play — it's fast paced and fun.

The layout of the table in front of the wheel enables you to bet on any symbol or any number of symbols depicted in the spaces on the wheel. Place your bet on the symbol on which you think the wheel will stop.

The symbols 'The Reef' and 'The Sea Horse' will pay you the highest odds of 47 to 1.

The house margin is 7.7% for all symbols and cannot be reduced.
