

WHY CHOOSE US?

“One Complex, One Team, One Success”

The Reef Hotel Casino Cairns is a joint venture between Casinos Austria International Pty Ltd and Accor.

The property operates a deluxe 5-star Pullman Hotel. Every suite is luxurious with the emphasis on elegance and quality. All the suites have generous layouts, lounge areas, spa baths, and garden balconies.

There are a wide variety of Food and Beverage outlets to satisfy all tastes. Our outlets range from the award winning & one-hatted Tamarind Restaurant, Flinders Bar & Grill, Bar36, Merchant Café, Soy Kitchen, and Casino Bars. We also offer extensive function areas, catering for all kinds of events.

The Complex boasts a Boutique Casino consisting of Gaming Tables, Gaming Machines, Keno, and TAB. The Gaming facilities are open Sunday to Thursday 10:00am to 2:00am, & Friday and Saturday 10:00am to 4:00am.

TRAINING

The Reef Hotel Casino employs approximately 400 staff. All staff are given the opportunity to further their career via our internal website training, Accor AHAcademie, as well as on the job and face to face training conducted by the Human Resources department.

Training commences on the first day with the Complex Welcome Tour and Department Welcome training. The opportunity for staff to further develop their skills and move to the next level or just to multi-skill is encouraged. We often have staff working in more than one department. Most Supervisory and managerial positions are filled by internal applicants. Our philosophy is to promote from within before we advertise externally.
